

FOR IMMEDIATE RELEASE

**OCTOBER MAJOR UPDATE FOR "GIGA WRECKER", INCLUDING NEW STAGE AND BOSS**

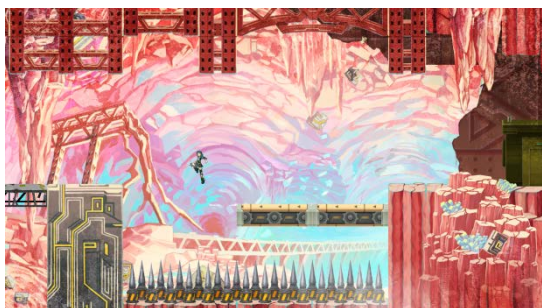

Tokyo, Japan – GAME FREAK (Setagaya-ku, Tokyo. President and Representative Director: Satoshi Tajiri) is pleased to announce a major update to "GIGA WRECKER", currently released for Early Access on the online gaming platform Steam.

## **[UPDATED FEATURES]**

### **■ NEW STAGE “Pātāla Mine”**

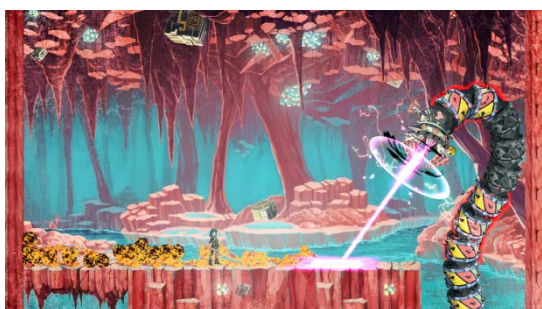

In the enemy’ s mine “Pātāla, Diamond Gate of Dragons” , mysteries such as the relationship among the Astras (the boss robots ruling each stage) will be revealed to the player character. Also the player character must challenge new action type stage gimmicks, such as conveyor belts and gears.

※ Game is under development. Pictures and game designs may vary from the final release version.

### **■ NEW STAGE BOSS “Astra Rāhu”**

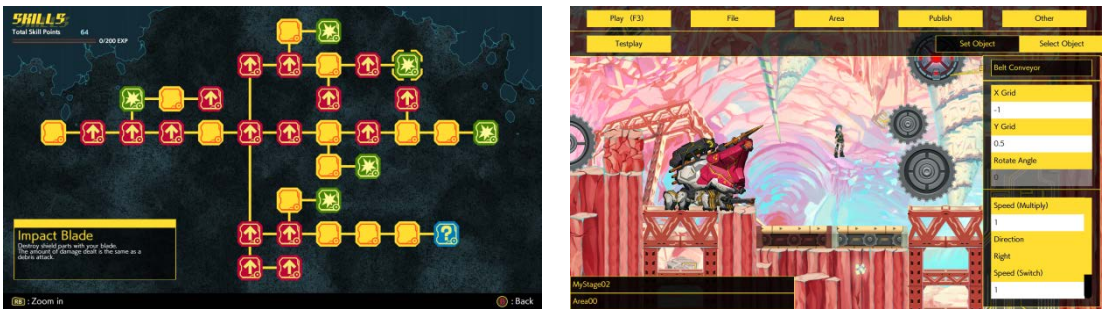

“Astra Rāhu” , the defender of the mine, awaits the player at the end of the stage. A girl type robot riding on a giant worm type robot, see for yourself what kinds of attacks this boss will use!

※ Game is under development. Pictures and game designs may vary from the final release version.

## ■ OTHER UPDATES

- Brush-ups have been done on some of the player character's animations.
- The player character's jump motion has been adjusted.
- The Skill Tree's usability has been improved.
- Control guides will be displayed in certain menu and game screens.
- New gimmicks and objects from the mine have been added to the Level Editor.
- The mine theme will be selectable in the Level Editor.
